Spiga Matelassé 1995

The Spiga Matelassé 1995. Select wristlet-type shoulder bag, absolutely vital for the more sophisticated event. Designed as the perfect fit for your hands, this elegant and smooth leather bag can also be worn over the shoulder thanks to its fine chain which, furthermore, sets off the colour of all the models of the bag.

Exquisite decorative seams embellish the geometric shape of the frontal design of the Spiga bag, providing it with a wonderful and unique touch of distinction. Its envelope-like flap endows it with a modern look; it can therefore be worn at elegant events, or at more casual meetings if you wish to stand out from the crowd.

Monogram

Monogram

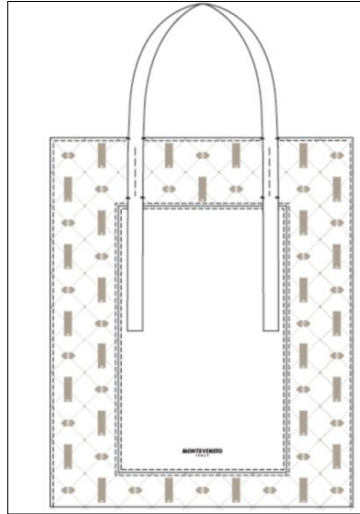

As a feminine version of the leather line, « Monteveneto Monogram » is growing this season with new styles, easier and more functional, but still soft and contemporary.

Two permanent basic colors and a fall winter steel blue and champagne animation in the monogram trend for a more sophisticated look.

A revised lower price positioning to meet the market needs and comments, keeping interesting and appealing details on new styles.

A new short and efficient small leather goods range with a new monogram metal plaque to complete the offer
